

Curriculum Vitae and Bibliography

Galen Perdikis, MD, FACS

1. PERSONAL INFORMATION

2. PRESENT ACADEMIC RANK AND POSITION

| | |
|---|----------------------|
| Consultant - Division of Plastic Surgery, Department of Surgery, Mayo Clinic, Jacksonville, Florida | 07/01/2004 - Present |
| Vice Chair for Education - Department of Surgery, Mayo Clinic, Jacksonville, Florida | 2006 - Present |
| Associate Professor of Plastic Surgery - College of Medicine, Mayo Clinic | 07/01/2006 - Present |
| Associate Dean - Mayo School of Health Sciences, College of Medicine, Mayo Clinic, Jacksonville, Florida | 01/2007 - Present |

3. EDUCATION

| | |
|--|-------------|
| University of the Witwatersrand MB BCh | 1983 - 1988 |
| Groote Schuur Hospital House Officer, (Six months in internal medicine and six months in surgery, required for South African medical licensure) | 1989 |
| West Suffolk Hospital, Bury St. Edmunds, United Kingdom Senior House Officer, ENT surgery | 1990 |
| Surgical Intensive Care Unit, Hillbrow Hospital Registrar, Surgery | 1991 |
| Creighton University Research Fellowship, Esophageal Surgery | 1992 - 1993 |
| Creighton University Residency, General Surgery | 1993 - 1999 |
| Creighton University Chief Resident | 1998 - 1999 |
| Vanderbilt University Fellowship, Plastic Surgery | 1999 - 2001 |

4. BOARD CERTIFICATION(S)

| | |
|---|------|
| American Board of Plastic Surgery Plastic Surgery | 2002 |
| American Board of Surgery Surgery | 2000 |

5. LICENSURE

Florida ME81798

6. HONORS/AWARDS

Winner of the Trubshaw Medal. Awarded to the most distinguished candidate in the F.C.S (South Africa) Primary Surgical Examination. 01/1991

Herbert Davis Scholarship Award. Awarded to the chief resident selected for excellence throughout the surgical residency. 01/1999

Golden Apple Award. For excellence in student education. - Creighton University 01/1999

7. MILITARY SERVICE

Compulsory military training, rank of 2nd Lieutenant - Defense Force, South Africa 08/01/1990 - 07/01/1991

8. PREVIOUS PROFESSIONAL POSITIONS AND MAJOR APPOINTMENTS

Assistant Professor of Plastic Surgery - College of Medicine, Mayo Clinic 01/01/2002 - 06/30/2006

9. PROFESSIONAL & COMMUNITY MEMBERSHIPS, SOCIETIES AND SERVICES**Professional Memberships & Services**

Alpha Omega Alpha
Member 01/1998 - Present

American College of Surgeons
Fellow 01/2003 - Present

American Medical Association
Member 01/2001 - Present

American Society of Plastic Surgeons
Member 01/2003 - Present

ASPS Health Policy Committee
Member 01/2008

ASPS Public Education Committee 2007
Member 01/2007 - Present

ASPS Technology Assessment Committee
Member 01/2008

ASPS/ASAPS Emerging Trends Committee
Member 01/2008

Duval County Medical Society

| | |
|---|-------------------|
| Member | 01/2001 - Present |
| Florida Society of Plastic and Reconstructive Surgeons Member | 01/2003 - Present |
| Board of Directors Director | 01/2008 |
| J.B. Lynch Society Member | 01/2001 - Present |
| Priestley Society Member | 01/2002 - Present |
| Southeastern Society of Plastic and Reconstructive Surgeons Member | |
| The Greater Jacksonville Society of Plastic Surgeons Member | 01/2001 - Present |

10. EDUCATIONAL ACTIVITIES

A. Curriculum/Course Development

B. Teaching

CLINICAL RESEARCH INTERNSHIP SUMMER PROGRAM (CRISP)- PROGRAM DIRECTOR 2008

Developed a summer research internship for students wanting to learn how to do clinical research. Had 17 students in its inaugural year.
Jacksonville, Florida

PA, ARNP ROTATIONS AND MENTORING

Accept multiple students, PA's, ARNP's each year and teach them plastic surgery patient care and/or skills.
Jacksonville, Florida

CLINICAL REVIEWS AND PRIMARY CARE UPDATE-SUTURE CLINIC
Amelia Island, Florida 2002 - Present

ASSOCIATE DEAN OF MAYO SCHOOL OF HEALTH SCIENCES
Oversight of over approximately 200 students in allied health professions.
Mayo School of Health Sciences
Jacksonville, Florida 2007 - Present

VICE CHAIR OF EDUCATION, DEPARTMENT OF SURGERY
Oversight of
1.General Surgery Residency
2.Laparoscopic fellowship
3.Department rotation of medical students, PA and ARNP students
4.CME Development
Mayo Clinic-Jacksonville
Jacksonville, Florida 2008 - Present

HIGHSCHOOL STUDENTS WORKSHOP 07/2008
 Developed a half a day workshop to expose highschool students (30) to all
 aspects of health care.
 Jacksonville, Florida

C. Mentorship

| Individual and Position | Timeframe & Description | Outcomes | Current Status |
|-------------------------------------|--|-----------------|-----------------------|
| Freeman, Mark Surgery Resident | 2001 - 2002 Plastic Surgery Career Path Manuscript Publication; Latissimus Dorsi Flap Reconstruction following failed Breast Conservation Therapy. | | |
| Sternberg, Erez Surgery Resident | 2003 - 2007 Plastic Surgery Career Path Manuscript publication; Latissimus Dorsi Flap remains an excellent choice for breast reconstruction. | | |
| Fahkre, G Peter Surgery Resident | 2004 - Present Plastic Surgery Career Path Research- The use of Hydroxylapatite as a nasolabial fold filler- Patient-centric outcomes and meta analysis. | | |
| Shaddix, Kyle Surgery Resident | 2005 - Present Plastic Surgery Career Path Research Protocol Development- The use of cyanoacrylate for wound closure and a comparison of two products. | | |
| Hickman, Hollie Surgery Resident | 2006 - 2008 Plastic Surgery Career Path | | |

D. Scholarship

Presentations

Memberships

- E. Honors and Awards for Education**
- F. Academic Career Development**

11. INSTITUTIONAL/DEPARTMENTAL ADMINISTRATIVE RESPONSIBILITIES, COMMITTEE MEMBERSHIPS AND OTHER ACTIVITIES

Mayo Clinic

Dean's Meetings
Member

Department of Education Services
College of Medicine, Mayo Clinic
Mayo School of Health Sciences
MSHS Education Committee
Associate Dean
Member
MSHS Leadership - All Site
Associate Dean
MSHS Program Director - All Sites
Member

Mayo Clinic Cancer Center
Mayo Clinic Cancer Center Work Groups
Mayo Clinic Cancer Center, Disease/Discipline Oriented Groups (DOG)
Skin Cancers (Melanoma) DOG
Member

Mayo Clinic in Florida

| | |
|---|-------------------|
| Mayo Clinic Florida Committees | |
| Allied Health Subcommittee | |
| Member | 01/2006 - Present |
| Education Committee | |
| Mayo School of Health Sciences Program Directors | |
| Chair | 01/2007 - Present |
| Mayo School of Health Sciences Subcommittee | |
| Chair | 01/2007 - Present |
| Outpatient Practice Subcommittee | |
| Member | |
| Surgery and Surgical Specialties Graduate Education Committee | |
| Member | 01/2004 - Present |

12. PRESENTATIONS

International

| | |
|--|---------|
| Congenital Internal Auditory Canal Stenosis and its Relationship to the Maternal Diabetes Biannual Combined Otolaryngology Meeting of the Transvaal South Africa | 04/1991 |
| Laparoscopic Heller Myotomy and Fundoplication Video Presentation O.E.S.O. 5th World Polydisciplinary Congress Paris, France | 09/1996 |
| Laparoscopic Nissen fundoplication is associated with a long learning curve O.E.S.O. 5th World Polydisciplinary Congress Paris, France | 09/1996 |
| Latissimus Dorsi Reconstruction: A good option for patient with failed breast conservation therapy. Presented by Mark Freeman, Resident International Congress of the International Confederation for Plastic, Reconstructive and Aesthetic Surgery Sydney, Australia | 08/2003 |
| National | |
| Ambulatory Antroduodenal Manometry in Man: Development and Validation American Motility Society Biennial Symposium Lake Tahoe, California | 09/1992 |
| Significant Changes in Antroduodenal Motility Following Cholecystectomy as Assessed by 24-Hour Ambulatory Manometry American Gastroenterological Association Boston, Massachusetts | 01/1993 |
| Abnormal Antroduodenal Physiology in Postcholecystectomy Patients American College of Surgeons (Nebraska Chapter) Omaha, Nebraska | 03/1993 |
| Early Esophageal Achalasia Is A Risk Factor For Perforation Following Pneumatic Dilatation Southwestern Surgical Congress Monterey, California | 04/1993 |
| Alkaline Reflux Gastritis: Clinical, Endoscopic and Histological Response to Pancreatico-biliary Diversion Southwestern Surgical Congress Monterey, California | 04/1993 |
| Esophageal pH Monitoring: A Comparison of Antimony and Glass Electrodes American Gastroenterological Association Boston, Massachusetts | 05/1993 |
| Late Clinical Results of Suprapapillary Roux-en-Y Duodenojejunostomy for Pancreatico-biliary Diversion in Pathologic Duodenogastric Reflux Society for Surgery of the Alimentary Tract Boston, Massachusetts | 05/1993 |
| Enteric Hormone Abnormalities Are Associated With Gastroesophageal Reflux Disease Society For The Surgery Of The Alimentary Tract Boston, Massachusetts | 05/1993 |

| | |
|---|---------|
| Altered Antroduodenal Motility After Cholecystectomy Southwestern Surgical Congress Tucson, Arizona | 04/1994 |
| Duodenogastric Reflux After Cholecystectomy is Associated With Poor Antral Motility American Gastroenterological Association San Francisco, California | 05/1996 |
| Laparoscopic paraesophageal hernia repair Western Surgical Congress Portland, Oregon | 11/1996 |
| Esophageal Manometry and 24 Hour pH Testing are Necessary for the Optimal Management of Gastroesophageal Reflux Patients Southwestern Surgical Congress Palm Springs, California | 04/1997 |
| Clinical Reviews and Primary Care Update 2005; Practical Wound Management Amelia Island, Florida | 06/2005 |
| Latissimus Dorsi Flap Remains an Excellent Option for Breast Reconstruction Southeastern Society of Plastic and Reconstructive Surgeons Hot Springs, Virginia | 06/2005 |
| Abdominal Wall Reconstruction: New Products and Old Flaps Mayo Clinic Interactive Surgery Symposium 2006 Big Island, Hawaii | 02/2006 |
| Breast Implants, Reconstruction: Implications for the Breast/General Surgeon Mayo Clinic Interactive Surgery Symposium 2006 Big Island, Hawaii | 02/2006 |
| Clinical Review and Primary Care Update 2006. Management of Decubitus Ulcers in the Elderly. Amelia Island, Florida | 06/2006 |
| Extensive cutaneous metastatic breast carcinoma of the hand and upper extremity: A case report. Southwestern Surgical Congress, Annual Meeting Palm Springs, California | 03/2007 |
| Creating The Future: The Mayo Clinic Model of Healthcare Delivery & Allied Health Education 2007 ASAHP Conference San Diego, California | 10/2007 |
| Clinical Review and Primary Care Update 2008, Management of Wound Amelia Island, Florida | 06/2008 |
| The Future of Health Care NSCS National Conference Orlando, Florida | 07/2008 |
| The Present and Future of Breast Reconstruction 3rd Annual Mayo Multidisciplinary Update in Breast Disease Marriott Sawgrass Jacksonville, Florida | 11/2008 |

| | |
|---|---------|
| Silicone Breast Implant Rupture: "Is MRI Useful?" 52nd Annual Meeting, Florida Society of Plastic Surgeons The Breakers Palm Beach Palm Beach, Florida | 11/2008 |
| Regional | |
| Clinical Reviews and Primary Care Update 2002; Office Procedures for Primary Care: The Lump and Bump Clinic Jacksonville, Florida | 06/2002 |
| Mayo Clinic, Surgery Department Grand Rounds; Malignant Melanoma and it's Variants Jacksonville, Florida | 02/2003 |
| Mayo Clinic, Surgery Department Grand Rounds; Breast Reconstruction: Implications for the General Surgeon Mayo Clinic-Jacksonville Jacksonville, Florida | 01/2004 |
| Mayo Clinic Grand Rounds; Breast Surgery: Silicone Implants and other Advances. Jacksonville, Florida | 02/2004 |
| Clinical Reviews and Primary Care Update 2005; Practical Wound Management Jacksonville, Florida | 06/2005 |
| Plastic Surgery: Implications for the Breast Surgeon Department of General Surgery Grand Rounds Jacksonville, Florida | 01/2006 |
| Breast Reconstruction. Are we there yet? Department of General Surgery Grand Rounds. Mayo Medical School Jacksonville, Florida | 11/2007 |
| Breast Surgery Implication for the Oncologist Department of Oncology Jacksonville, Florida | 07/2008 |

13. VISITING PROFESSORSHIPS

14. CLINICAL PRACTICE, INTERESTS, AND ACCOMPLISHMENTS

Practice: General Plastic Surgery,
Cosmetic Surgery,
Reconstructive Surgery.

Interests: Breast Reconstruction,
Microvascular Free Flap Reconstruction,
Cosmetic Surgery,
Melanoma

15. RESEARCH INTERESTS

Current Projects

Silicone Breast Implant Rupture and the Role of MRI.
Manuscript in preparation
Status:

Hydroxylapatite as a filler for nasolabial fold.
Status: Presenting data at ASPS Oct 2008.

The use of Dermal grafts in breast expander reconstruction.
Status: Data collection

Latissimus Dorsi Flap in Breast Reconstruction Review.
Status: Data collection

The use of cyanoacrylate for skin closure in Plastic Surgery.
Status: for IRB review

Protocols:

Silicone Breast Implant Rupture and the Role of MRI.
P.I.: Dr. G. Perdikis
IRB 2121-04

Vioxx Protocol: The effectiveness of cyclooxygenase-2 inhibitor, rofecoxib (Vioxx®) in decreasing opioid requirements following elective plastic surgery procedures.
P.I.: Dr. G. Perdikis
Amount: \$25,000
Company: Merck
IRB 614-03
STOPPED

Tissue Sealant: The use of Fibrin Sealant (Tisseal®) in decreasing drainage and seroma formation following latissimus dorsi flap harvest.
P.I.: Dr. G. Perdikis
Amount: \$25 - 35,000
Company: Johnson & Johnson
Funding approved. Currently going through Research Committee and IRB

McGhan Medical Corporation Silicone-Filled Breast Implant Adjunct Clinical Study
IRB 1498-98 00

Mentor H/S Silicone Gel-Filled Mammary Prosthesis Clinical Research Study
IRB 487-92 00

Core Gel Study of the Safety and Effectiveness of Mentor Round Low Bleed Silicone Gel Filled Mammary Implants in Patients who are Undergoing Primary Breast Reconstruction, Augmentation or Revision
IRB 81-01

16. RESEARCH GRANTS AWARDED**Active Grants****Industry**

| | | |
|---|---|-------------------|
| Program Director / Principal Investigator | HISTOACRYL: A study of its efficacy in final scar formation. Funded by B. Braun Closure Technologies. | 04/2009 - 04/2010 |
|---|---|-------------------|

Completed Grants**Industry**

| | | |
|------------------------|---|-------------------|
| Principal Investigator | The Effectiveness of a Cyclooxygenase-2 Inhibitor, Rofecoxib (Vioxx) in Decreasing Opioid Requirements Following Elective Plastic Surgery Procedures (IRB 614-03). Funded by Merck Research Laboratories. | 05/2004 - 04/2005 |
|------------------------|---|-------------------|

17. MAYO IRB PROTOCOLS**Active**

| | | |
|------------------------|---|-------------------|
| Principal Investigator | Use of Dermal Grafts for Immediate Breast Reconstruction with Tissue Expanders. (08-004695) | 09/2008 - 09/2011 |
| Principal Investigator | HISTOACRYL: A study of its efficacy in final scar formation. Braun Closure Technologies. (08-007642) | 03/2009 - 03/2011 |
| Principal Investigator | Breast Reconstruction: 2001-Present. Chart Review. No funds necessary. (10-003481) | 06/2010 - 06/2011 |
| Co-Investigator | "Mentor H/S Silicone Gel-Filled Mammary Prosthesis Clinical Research Study". Mentor Corporation. (487-92) | 09/1992 - 01/2011 |
| Co-Investigator | "McGhan Adjunct Study of Silicone Filled Breast Implants". (1498-98) | 10/1998 - 02/2011 |
| Co-Investigator | MC997F "Mayo Clinic Melanoma Database". (268-00) | 02/2000 - 11/2011 |
| Co-Investigator | "Core Gel Study of the Safety and Effectiveness of Mentor Round Low Bleed Silicone Gel Filled Mammary Implants in Patients who are Undergoing Primary Breast Reconstruction, Augmentation or Revision". (81-01) | 03/2001 - 10/2011 |

Completed

| | | |
|------------------------|--|-------------------|
| Principal Investigator | The Effectiveness of a Cyclooxygenase-2 Inhibitor, Rofecoxib (Vioxx) in Decreasing Opioid Requirements Following Elective Plastic Surgery Procedures. (614-03) | 12/2003 - 12/2004 |
| Principal Investigator | "Silicone Breast Implant Rupture and the Role of MRI". (2121-04) | 10/2004 - 04/2009 |
